Right to work in Ireland. No visa sponsorship required.

**Professional Summary:**

Multidisciplinary Digital Designer with 6+ years of experience creating visual design, brand systems, websites, landing pages, motion graphics, presentation design and digital content for business, corporate and creative environments. Strong background in translating briefs into clear visual concepts, structured layouts and polished creative outputs across digital, social, web, campaign and presentation touchpoints.
Experienced working from concept through delivery, collaborating with clients, stakeholders, creative teams, production teams and developers to create high-quality work with strong attention to detail, consistency and craft. Confident using Adobe Creative Cloud, Figma, After Effects, Premiere Pro, Blender, Cinema 4D, PowerPoint and AI-assisted creative workflows.

## PROFESSIONAL EXPERIENCE:

**Graphic Designer – ConServ**
Dublin, Ireland | Sept 2021 – Sept 2025 (Portflio: behance.net/neexcreative/3D-Venues)

- Created visual systems for corporate communications, live experiences, digital screens, branded presentations and campaign assets.
- Designed PowerPoint decks, event visuals, motion assets, social content and digital graphics for corporate and commercial clients.
- Translated complex briefs into clear visual narratives, using layout, typography and hierarchy to make information easier to understand.
- Collaborated with stakeholders, content teams, production teams and AV teams from concept through final delivery.
- Presented, refined and adapted creative work through feedback rounds while maintaining brand consistency and high design standards.
- Delivered high-quality work under tight timelines for clients including Roche, Deloitte, Kellogg's, AV Alliance and MSD Biotech.

**Graphic Designer, WTS Ireland / Hall Print Solutions**
Dublin, Ireland | Jan 2026 – Currently

- Create polished visual assets, client mockups and production-ready artwork across brand, digital, print and large-format formats.
- Translate client requirements into clear design solutions with strong attention to layout, typography, colour, consistency and final output.
- Prepare final files and quality checks, ensuring accuracy from concept through delivery.
- Collaborate with production, supplier and installation teams to maintain design quality across physical and digital outputs.
- Support fast-turnaround projects while keeping work organised, accurate and aligned with client expectations.

**Graphic, Motion & 3D Designer | Video Editor – Neex Creative (Freelancer)**
Dublin, Ireland | Sept 2019 – Present

- Design websites, landing pages and digital brand experiences for small businesses, combining visual design, content structure, responsive layouts and business goals.
- Translate client briefs into clear digital concepts, wireframe-style layouts, visual directions and polished web, social and campaign assets.
- Create brand identities, visual systems, social media content, motion graphics, short-form videos and digital marketing assets across multiple touchpoints.
- Work directly with clients to understand objectives, present design rationale, manage feedback and deliver clear, practical visual solutions.
- Use Figma, Adobe Creative Cloud and AI-assisted workflows to explore concepts, generate visual references, iterate quickly and improve creative delivery.
- Collaborate across design, content, development and production tasks, balancing creative quality with real-world business needs.

**Senior 3D Exhibition Designer – Total Expo**
Dublin, Ireland | Sept 2025 – Dec 2025 (Temporary)

- Developed 2D and 3D visual concepts for exhibitions, branded environments, spatial graphics and trade show experiences.
- Created 3D visualisations and presentation visuals to help clients and internal teams understand final environments before production.
- Designed layouts and branded spaces with attention to visitor flow, brand presence, usability, visual impact and installation requirements.
- Prepared production-ready artwork and collaborated with fabrication and installation teams to align creative ideas with real-world execution.
- Supported exhibition projects for major venues including RDS and Convention Centre Dublin.

**Audiovisual Team Lead (Volunteer) – Lagoinha Dublin / Expectation / Snowball Church**
Dublin, Ireland | Nov 2019 – Present (Weekends)

- Lead audiovisual and creative support for live events, including video, motion graphics, streaming and visual content delivery.
- Train and support team members in design, video and live production workflows.
- Improve consistency and delivery quality through templates, process organisation and practical troubleshooting.
- Coordinate creative and technical execution under live-event pressure, ensuring smooth delivery for in-person and online audiences.
